The data shown on this map have been obtained from various sources, and are of varying age, reliability and resolution. This map is not intended to be used for navigation, nor is this map an authoritative source of information about legal land ownership or public access. Users of this map should confirm the ownership of land through other means in order to avoid trespassing. No warranty, expressed or implied, is made regarding accuracy, applicability for a particular use, completeness, or legality of the information depicted on this map.

WELCOME to the SAUK PRAIRIE RECREATION AREA (SPRA)

ACTIVITIES AND ACCESS

1. Visitors may hunt, trap, hike, bird watch, pick mushrooms and berries, study nature, take photographs and other traditional outdoor activities. No fishing opportunities are available.
2. Visitors may drive, bike, or ride horses on the subset of roads within the complex that are open. Roads are in variable condition; some have many ruts and potholes. Intersections are unmarked and motorists will need to yield at all crossings. Speed limit on all roads is 25 mph.
3. The public may access the Sauk Prairie Recreation Area at the main gate on USH 12. The SPRA is open from one hour before sunrise and closes one hour after sunset.
4. All parking and traffic regulations apply. Vehicles shall be operated only on those roads designated as open on the attached map and parking permitted only in established parking areas and shoulders of established roads. No parking or driving in fields is allowed.
5. No bathroom facilities or drinking water are available on the Department lands.

OPEN AND CLOSED AREAS

1. Many of the lands owned by the DNR are open, but some areas remain closed to public access due to safety issues (see map on reverse side). No entry into these areas for any purpose is allowed.
2. The old Pump House facility and the associated parcel on Lake Wisconsin remain closed due to safety issues.
3. The **Ho Chunk Nation** lands located in the northwestern section of the former Badger Army Ammunition Plant are closed to the public.
4. **USDA Dairy Forage Research Center lands are closed to the public.** The Research Center has agreed to allow public access across their land so that visitors can access the interior and southern block of DNR land.
5. **Please respect the Dairy Forage Research Center's operations and refrain from entering areas and roads that are closed. Future access through and to these lands may hinge upon the public's adherence to these rules.**

HUNTING

See the pamphlet *2014 Small Game Hunting Regulations, 2014 Fall Turkey, and 2015 Spring Turkey Regulations* for additional information.

1. Youth turkey hunting in the property will be allowed April 11 - 12, 2015.
2. Other turkey hunting in the property will be allowed during all periods that run from April 15 to May 26, 2015. Visitors may conduct all hunting activities that they hold valid and legal license and/or tags for during this time period.
3. All legal firearms for hunting in Sauk County as well as bow and arrow will be legal for use in this hunting season. This includes shotguns, muzzleloaders, handguns, and rifles. Please see the regulations pamphlet for further information on legal weapons.
4. Daily hunting hours are listed in the regulations pamphlet. Hunters may enter the property no more than one hour before legal shooting hours.
5. Some areas of the property are posted as closed areas (see map on reverse side).
6. **It is illegal to hunt within 50 feet of the roadway's center or discharge a firearm or shoot an arrow from a bow from or across a park road. It is illegal to shoot within 100 yards of a building devoted to human occupancy.**

Caution, this property is still undergoing demolition and clean-up work. Please be aware of closed areas and potential hazards from construction debris and demolished structures. In addition, the Wisconsin National Guard continues to conduct field exercises that may close certain areas.
