**NOTICE**  
An emergency hazardous waste permit (#UT-014-2014) has been issued to the United States Army, Tooele Army Depot located in Tooele County, Utah. The permit authorizes the Tooele Army Depot (TEAD) to store the following items at TEAD's Open Burn/Open Detonation facility: 42 rocket motors in six silos with a total net explosives weight of 300.72 pounds and 265 propellant charges in six burn pans with a total net explosives weight of 5,945.85 pounds. The emergency permit for storage was necessary because the weather conditions were no longer within the permitted limits after the items had been prepared for treatment, which prevented TEAD from performing treatment.  
This permit was effective May 17, 2014 and expired May 22, 2014. Copies of the permit are available for public inspection during normal business hours at the Division of Solid and Hazardous Waste, located on the 2nd floor of the Multi Agency State Office Building, 195 North 1950 West, Salt Lake City, Utah.
